Introduction

At Cefn Glas Infants we as a school are committed to ensuring regular attendance at school is a priority which will in turn provide pupils with the best possible chances in life to succeed and to achieve their goals.

Regular school attendance is essential for all children and young people. Failure to regularly attend can increase the risk of leaving school without any qualifications, and can also increase the likelihood of pupils being drawn into criminal and anti-social behaviour.

Our school will endeavour to work with parents, pupils, the local authority and Central South Consortium Joint Education Services to ensure that all pupils receive an appropriate education and to attend school regularly.

This attendance policy reflects the local authority's Attendance Strategy.

Aims

This policy aims to ensure that attendance and punctuality remains a key focus for all, including governors, teachers, parents, pupils and partner agencies. We will strive to:

- offer a safe and friendly environment which welcomes children regardless of race, gender or ability.
- raise standards and ensure all pupils reach their full potential, through a high level of school attendance and punctuality.
- ensure all stakeholders receive communication about information on the importance of regular school attendance.
- identify those pupils with irregular attendance at an early stage and to work with partner agencies to try and address any barriers that stop pupils from attending school regularly.
- keep accurate and up to date attendance data.
- ensure all pupils are safe, and for schools to follow the local authority's 'Children Missing Education' guidance.
- reward those pupils who have made significant progress in raising attendance levels.

This document is supported by the All Wales Attendance Framework.

Legal Framework

The law outlining attendance is:

The Education Act 1996 which places a legal obligation on:

- the local authority to provide and enforce attendance;
- the school to register attendance and notify the local authority of a child's absence.

Section 7 of the above act states that:

'The parent of every child of compulsory school age shall cause him/her to receive efficient, full time education suitable to his/her age, aptitude and ability and to any special educational needs he/she may have either by regular attendance at school or otherwise'.

Section 444 further states that:

'The parent of a child of compulsory school age registered at school and failing to attend regularly is guilty of an offence punishable in law'.

School Attendance Orders (SAO):

Under the Education Act 1996 section 437- 443 a School Attendance Order applies when a parent of compulsory school age fails to prove that the child is receiving a suitable education and where the authority believes the child should attend school. A School Attendance Order may be used to direct a parent to send their child to a specified school, and should be used when a pupil is not on roll at any school.

The Education (Penalty Notice) Wales Regulations 2013 :

This legislation came into force in September 2014 and has given local authorities new powers to issue fixed penalty notices. (FPN). A code of conduct has been agreed by Bridgend County Borough Council on the issuing of the FPN which includes the following criteria:

- Minimum of 10 unauthorised absences in the current term which do not have to be consecutive.
- Minimum of 10 sessions of lateness after the close of registration.
- Parents/carers who chose to take their children out of school on holiday during term time without authorisation from the Head teacher for a minimum of 10 unauthorised sessions.
- Pupil regularly coming into contact with the police during school hours without a justified reason.
- Parents/carers failing to engage with school/EWS but where prosecution has not been instigated.

The Head teacher will inform the parent by letter that a request for a fixed penalty notice will be completed and sent to the Lead Education Welfare Officer (Lead EWO) for the local authority. The Lead EWO will consider the request, taking into account levels of absence, level of parental engagement, any equality implications, history of attendance and also any statement of special educational needs.

A fixed penalty notice warning may be issued and a period of 15 days will be monitored for an immediate improvement. A warning may not be issued in respect of an unauthorised holiday in term time.

A penalty notice is £60 if paid within 28 days in receipt of the notice, increasing to £120 if not paid within 28 days. If not received by 42 days then the local authority can prosecute parents for the child's absence.

Keeping school registers

The school's register is a legal document and under The Education (pupil registration) (Wales) regulations 2010 the school is required to keep an accurate record of attendance. Registers need to be marked twice a day, once in the morning and once in the afternoon.

Registers may be needed in a court of law if deemed appropriate.

Schools Information management system (SIMS) is used in all schools across BCBC to record all pupils attendance.

By the end of the school week the school's overall attendance registers will be completed and an overall attendance figure will be calculated by the school.

Types of absences

It is important for parents to understand the definition of the different types of absences. They are classed as unauthorised absence and authorised absence.

The school's head teacher can only decide on whether an absence should be classed in either one of these categories, parents cannot.

Absences may be authorised for the following reasons:

- Illness.
- Religious observance.
- Medical/Dental appointments during school hours.
- Fixed term and permanent exclusions.
- Holiday agreed by the head teacher.

Examples of what are classified as unauthorised absence are the following, however they are not limited: Absences may be unauthorised for the following reasons:

- Truancy.
- Late after the close of registration.
- Staying at home for no reason – condoned absence.
- Going shopping.
- Birthdays.
- Holiday not agreed by the head teacher.

In addition there are several codes classed as a present mark which include the following:

- Late before the close of register.
- Educated off site, pupils attending vocational courses at college/pupils attending alternative provision agreed by school.
- Sporting activity.
- Educational visit.
- Traveller absence.
- Interview.
- Work experience.
- Where pupils are on roll at school and also at another education establishment.

Please see appendix 1 which includes a breakdown of codes set by Welsh Government.

Punctuality

Punctuality is a legal requirement and pupils must attend on time. Persistent lateness has a detrimental effect on a child's learning and also disrupts other pupils within the class and throughout the school.

Those parents of pupils who are persistently late will be contacted by the class teacher / Administration (Attendance) Officer.

All pupils who are late must gain access through the main doors of the school and speak with Mrs Hussain before going to class.

Medical absences

Where a child is continually absent from school on the grounds of medical reasons, it will be necessary for the parent to provide medical evidence to school. This will be initiated by the school and the EWO which will result in the pupil and family receiving the appropriate support in assisting in attending school regularly. There may be times where a reintegration plan may be necessary which will be a partnership agreement between the family, pupil, EWO and school.

Holidays during term time

Parents/ carers do not have an automatic right to withdraw pupils from school during the school term for a holiday. Under the Education (pupil registration) (Wales) Regulations 2010, head teachers have discretion to authorise a holiday of up to 10 days during term time, over 10 days can only be authorised in exceptional circumstances.

All requests for holidays must be completed on the schools holiday request form and completed by the parents/guardians. (please see Appendix 2).

The head teacher will make the decision and may include the following contributory factors:

- Time of year.
- Length of time.
- Overall percentage of attendance.
- Impact on the child's learning.

School procedures

- Parents are expected to contact school on the first day of absence and to provide reasons for their child's absence.
- If parents fail to notify school, then the school will make every effort to contact the parents and also other persons listed as a point of contact. The absence will be recorded as unauthorised if no contact is made. Failure to receive any contact after five school days may result in the involvement of the EWO.

- As a school we have a duty to safeguard all our pupils and under the Education & Inspections Act 2006, requires the local authority to make arrangements to enable them to establish the identities of children residing within BCBC who not receiving an education. For example these may be pupils who have not attended school for an excessive amount of time without any contact or reason for the absence. The duty lies within the Local authority to investigate further. The Common transfer file will be sent to the forwarding school once being notified.

Schools Strategies to improve attendance

At Cefn Glas we aim that all pupils achieve 100% attendance, however there maybe instances where pupils unfortunately are unwell. We have set a whole school target of 95%.

School's Websites

The school's website will also provide parents, pupils, governors and the public with all the relevant attendance information including the school's attendance policy, along with all other school policies and procedures.

Schools Newsletters

This includes reminders for parents and pupils of our expectations in line with our attendance policy. All other attendance data and information may be included when necessary and relevant.

Parents will need to check the attendance information on a regular basis and also check school holiday dates and inset dates for the school. Please ensure that you check regularly to ensure there is no confusion as wrong dates are not reasons for children to be absent from school.

The School Environment

The school will provide a happy, welcoming and organised environment to ensure all pupils enjoy learning which results in good attendance. It is staff's responsibility to ensure that the classroom and the school is a happy place.

Breakfast Club

Our school has the privilege of offering a breakfast to all our pupils. Children attending Breakfast Club must arrive through the back entrance between 8.15 am and 8.30 am where they will be greeted by a member of BCBC staff. By children having this

opportunity it allows them to have breakfast with friends, and ensures they have had a meal at the start of the day which statistics shows helps the thinking process.

Staff Awareness

All staff are fully aware of the importance of regular school attendance, and pupils will regularly be made aware of this during the school day from staff.

Attendance Assemblies

Celebrating attendance and involving pupils gives them an incentive, motivation and encouragement, with a sense of self-worth. This promotes the wellbeing of children as well as rewarding them.

Transition Process

As we are all aware it is difficult at times to deal with change. We as a school appreciate that pupils find it hard to cope with the transition from year groups and also from Infants to Juniors. Our school ensures that we have all staff involved in this process and taster days for all pupils are set.

Parent's evening

Parent's evenings may offer the support of the EWO if parents need advice and guidance or additional support in trying to ensure the regular school attendance.

Additional Attendance Strategies

Role of the Local Authority Education Welfare Service

The Education Welfare service is a statutory service which supports schools in ensuring all pupils attend school regularly. We have a designated EWO who visits the school on a regular basis, depending on need. The EWO will meet with a senior member of staff within school and will discuss those pupils who have attendance of below 92%.

The school, in a joint discussion will then refer the pupil to the EWO if necessary. Individual circumstances of each pupil will be considered. The EWO will then either send a letter home informing parents of your child's attendance, make a telephone call home, invite you into school or/and will conduct a home visit.

Parents have a legal duty to ensure their children attend school regularly and punctually, or otherwise, under the Education Act 1996. Where parents fail to ensure the regular attendance of their child or otherwise are committing an offence and the EWO will need to be informed.

It is unfortunate on occasions but a punitive approach may be needed which may result in prosecution of parents. (Please see BCBC Non-school Attendance Enforcement Policy)

However the EWS does not take this lightly and will endeavour to work and support parents, schools and pupils to improve attendance levels.

Additional Local Authority Support Services

The EWS sits within the early help team which comprises of a multi-disciplinary teams which are based in co-located areas across the county of Bridgend covering the North (CCYD), East (Civic Offices) and the West (Pyle life centre).

The early help team consists of a variety of support services including family support workers, family engagement officers, counsellors, and youth workers. The early help team is designed to support families and pupils where a need has been identified. All officers are professionally trained and work with families, schools and agencies to ensure all parents and pupils receive the best possible support to enable them to have better opportunities in life.

Parents can also self - refer into the service directly via:

www.earlyhelp@bridgend.gov.uk or alternatively telephone on

01656 815420

Role of School's Improvement Partner / Central South Consortium Joint Education Services.

Our school works closely with Central South Consortium which provides us with a nominated Improvement Partner who visits our school and advises and supports us in our school improvement process. Improvement Partners and EWOs work closely with those schools needing additional support where attendance is a concern.

Good Practice Strategies

In addition to the strategies above, other initiatives may be conducted at any point.

Attendance Drives

EWOs across the county will work collaboratively with schools and early help teams to complete an attendance drive which will consist of visiting homes to parents of pupils who are absent from school on a particular day and whose attendance is below the agreed target. Members from the early help team will assist the EWO's. This is a pro - active partnership approach in assisting schools, parents and pupils in identifying issues with attendance and any other needs.

Attendance Panels

Attendance panels are seen as good practice in schools and involve school governors, member of senior staff, EWO, parent and on occasions include the pupil. Whilst the panel's aim is to address the attendance of pupils, it is not always in the best interest of the pupil to be out of class.

Parents are invited into school to discuss their child's attendance, with a view for an action plan to be completed and signed which will regularly be reviewed. Letters of invitation will be sent to parents in advance and parents are asked to notify school as to whether they will be attending or not. If they are not available to attend then another letter will be sent. Failure to attend without notification may result in a visit or telephone call from the EWO.

Truancy Patrols

Truancy Patrols are initiated by the school's police liaisons officers and the EWS. Under the Crime and Disorder Act 1998 this gives the Police the power to remove truants on the day of the truancy patrol. Any child found unaccompanied by an adult can be taken back to school or to a designated place of safety.

Parents and pupils details are logged, along with the reasons for the pupil being out of school.

These patrols are held as and when needed throughout the academic year.

First Day contact

Whilst we as a school operate a first day contact, there may be times where the Education Welfare Officer will conduct this, and contact parents of those pupils who are absent on a specified day. This is deemed as good practice and identifies those pupils who are regularly absent at an early stage with a view to referring to additional support services.

Data Collection

Our school's attendance data is continually being tracked and monitored electronically both on an individual pupil level and also as a whole school. This data is collated by the Lead EWO and shared amongst all schools across Bridgend on a termly basis.

Monitoring and reporting

The school will regularly provide reports to the governing body, senior management and Improvement Partners, and the local authority which will inform them of current attendance.

In addition parents will also be notified through the schools regular communication channels.
